USER GUIDE

BEFORE YOU BEGIN

Please provide all information in this report for the calendar year just ended. For instance, for this Annual Report the information reported should cover the period January 1 through December 31 of the prior calendar year. If more than one *accredited* program is offered, combine all programs into one Annual Report for this institution. You will list different Associate and Bachelor degree offerings in the space provided in Section 4. (Do not include demographics for students in **Bachelor degree completion** programs)

READ AND SAVE INSTRUCTIONS

Please read these instructions to familiarize yourself with the ABFSE Online Annual Report website. An Adobe Acrobat (PDF) version of these instructions is available for you to view, download and print. It is recommended that you print and retain these instructions to use as a guide throughout the report completion process.

ENDING A SESSION BEFORE REPORT COMPLETION

After the submission process has been started, and prior to clicking the **Final Submission** button at the bottom of the Final Preview page, you can end your session (**End Session** button) and return to complete your annual report **at any time prior to the submission deadline date**. After you have logged in, the **Resume Report** button (left-side navigation menu) or the “Start or Continue an Annual Report” link will open the page on which you left off at the end of your prior session. When you have entered all your information and reached the Final Preview page, you will then be directed to that page on any subsequent logins. From the Final Review page, you can link back to any section to make changes.

SUBMISSION DEADLINE DATE

The online submission deadline date is February 15th of the year following the close of the annual reporting year. When you complete the online submission, a signed, printed copy **must** be mailed to the ABFSE office. Attached to the signed printed copy will be a list of New Enrollees, a list of Graduates, a list of Distance Education Graduates, a copy of any letter announcing an adverse action by another accrediting agency, if applicable, a copy of the most recent financial aid audit (for ‘gatekeeper’ institutions), a copy of the latest report on default rates (for ‘gatekeeper’ institutions).

All programs will submit an electronic copy of cohort tracking via email and select programs will be asked to submit the most recent assessment plan.

RECORDING YOUR INFORMATION

IMPORTANT: After you enter information on a page of the Annual Report, you **MUST** click the **Continue** button at the bottom of the page in order to advance and save the information in the database.

Some of the sections in this report consist of more than one page. **To make changes to content in a multi-page section**, you may need to advance from the first page by clicking the **Continue** button at the bottom until the content you are attempting to change has been reached.

If your login attempts fail, follow the "*Forgot Login Information?*" link found on the Login page. You will be asked to enter your email address. RETRIEVING YOUR PASSWORD

Initial passwords have been randomly constructed by the system. The first time you visit the login page on the website, you will notice a link to "Lookup Lost Password". Follow this link to the Retrieve Login Information page. On that page you will be asked to enter the Program Director email address. ** When the **Send** button is clicked, if the email address entered matches the email address on file, your login information will be immediately sent to that address in an email message. MATCHING STUDENT COUNTS

In Section 4 - Program Demographics, the Student Counts you enter for New Enrollees and Graduates will be used as control totals that must balance throughout Section 4.
