

I was born and raised in Lewes, Delaware and currently resides here where I have worked for Parsell Funeral Homes & Crematorium for the past 4 years. It is there that I found my passion for the funeral service industry.

I graduated from St. Thomas More Academy High School in 2008, attended the University of Delaware, and am currently enrolled at Des Moines Area Community College where I'm earning my Associates of Applied Science in Mortuary Science. I'm driven by my love of caring for the families in my community.

In my spare time, I love spending time with my family and friends, going to the beach with my husband, Jason, and playing with our Shih Tzu, Buddy. I attend Solid Ground Community Church and I also enjoy volunteering baking cupcakes and cookies for Delaware Hospice Center.
