We own and operate a full service funeral home as well as an on premise crematory that serves Eagle River, Wisconsin and the surrounding communities in Vilas and Oneida Counties primarily.**

**We are offering competitive wages based on experience, 2 weeks of vacation (starting), retirement benefits, and bonuses. If you are finishing up an apprenticeship, we are willing to help complete that training as well.**

**We currently have a staff member that has a Minnesota License if you need to finish that apprenticeship.**
