

Student Tracker/Annual Report Sessions

We have a new Student Tracker template to replace Cohort Tracking which will help you tabulate student demographics for the annual report. This is also training for completion of the Annual Report.

Don't wait till the last minute to start your Annual Report (due February 15).

The Student Tracker is easy to use. It takes time to load student info but will be a time saver in the long run. Join us for one of the sessions and find out.
