

Stephanie Kelly

Stephanie is an Assistant Professor in the Mortuary Science Program at Salt Lake Community College in Salt Lake City, Utah. A proud graduate of the college's Mortuary Science program, Stephanie is a licensed funeral director who brings both professional expertise and a deep sense of compassion to her teaching. She is excited to share her knowledge and experience with future funeral service professionals and is committed to fostering a supportive and engaging learning environment.

Stephanie is currently pursuing a master's degree in education technology and instructional design. Her goal is to unify the program's online learning platform and enhance in-classroom engagement through innovative instructional strategies and technology integration. This work reflects her dedication to improving student success and adapting education to meet the needs of today's learners.

She is profoundly grateful to the American Board of Funeral Service Education and the generous scholarship donors who have supported her educational journey. Their contributions have made it possible for her to continue advancing her skills and knowledge, ultimately benefiting the students and the profession she serves.
