

Erika Stark

As a proud Catonsville native, Erika has a profound love for her town and its community. Driven by her passion for helping others, she made the transition from healthcare and answered the call to funeral service. Erika is committed to providing compassionate support to each family, assisting them through empathy and understanding during one of life's most challenging times.

Currently enrolled in the Mortuary Science Program at the Community College of Baltimore County, Erika is eagerly pursuing her license in funeral directing and mortuary science so that she may better serve the families in her community.
