

Greetings from Pine Grove, Pennsylvania!

My name is **Chris Frushon**, and I am currently working towards completing the requirements of the Specialized Technology Degree at the Pittsburgh Institute of Mortuary Science. As a first-generation funeral service professional, I am honored to have been selected to receive the ABFSE scholarship. As I have worked in both healthcare and education, I am deeply humbled to have the opportunity to embark on my new career journey working in the funeral services industry.

The H.L. Snyder Funeral Home in Pine Grove, Pennsylvania, has graciously allowed me to intern under the direction of Diane Zimmerman and Lisa Harner. Both Diane and Lisa have been very supportive and instrumental in helping me develop and hone my funeral service skills to serve the needs of our community.

I currently reside in Pine Grove, Pennsylvania, with my wife, three children, their grandmother, and several pets. Again, my most sincere appreciation for being a chosen recipient of the ABFSE scholarship.
