

Kami Gremillion Bio

I would like to express my sincere gratitude and heartfelt thank you for selecting me as a recipient of this award. I am truly honored to accept this scholarship from your distinguished organization.

I have been fortunate to become a student in this field and been given the opportunity to start a second career. One that has always been an unrealized “calling” until this point. The experience I have gained the past two years with my professors, fellow students, and other professionals in the funeral service industry has been amazing. I am so proud to be a part of such a wonderful, compassionate, and brilliant group. Even though my prior work experience in bookkeeping and human resources was enjoyable and rewarding, I eagerly look forward to my future in the service of others in this field.

When not in school, I enjoy spending time with my husband Jason, son Blaise and daughter Hailey. A typical weekend often involves going to lacrosse games or fencing practice and tournaments. Other fun activities we enjoy include, camping, hiking, and horseback riding.
