

Tammy Truong - Bio

Tammy Truong was born and raised in Davenport, Iowa, and graduated from Assumption High School in 2017. A first-generation student, she received a degree in Mortuary Science from Carl Sandburg College in 2022 after completing the accelerated program.

Soon after graduating, Tammy moved to Aledo, Illinois to start her apprenticeship at Fippinger's Funeral Home. She looks forward to serving the Mercer County area and helping others in their time of need. Outside of the funeral home, Tammy loves creating art, thrifting, learning about biology or history, celebrating her Vietnamese culture, and spending time with her fiancé, cat, and three rabbits.
